Papers Score Fair Rally At Montreal

MONTREAL (CP) — The Montreal and Canadian stock exchanges scored a moderate advance amid active trading.

Papers, weak most of this month, racked up the biggest gains, moving up nearly nine points on the index. Moore was the highest, gaining 6 at 106. Good gains also went to Consolidated, up 1¼ at 42¾, and Powell River, up 2½ at 40.

Utilities, pipelines, banks, foods, constructions and beverages were higher in a mainly narrow range.

Base metals were lower with Aluminium off ⅜ at 28 and Smelters down ½ at 20. Industrials lost nearly a point in the index. Refining oils were mixed.

Among active issues Steinbergs gained ⅞ at 30, Massey was unchanged at 14⅛, Canadian Marconi advanced 1 at 7¾. Avro was up ⅛ at 9⅞, Bell lost ⅛ at 40¼, Dominion Tar rose ⅛ at 17¼ and Webb and Knapp advanced 10 cents at 365.

Gold Shares Drop

TORONTO (CP) — Late profit-taking erased practically all early gains and the stock market was barely ahead at the close in moderate trading.

Speculative mines were higher. Can-Erin was the leader, up 17 cents at $1.57. Among industrials two of the five most active gained and two lost. Papers, pipelines and foods were the leaders but all gave up nearly one-half of their early wins.

Golds dropped back as Hollinger had its early ⅞ gain cut to ¼ at 34⅞. Campbell Red Lake was off around ⅜ while Giant Yellowknife was down 40 cents at $6.40.

Changes in base metals and western oils were small. Quemont had the best gain in base metals, up ¾ at 14. In western oils Home B added ¼ at 18⅝.

President Appeals

NEW YORK (UPI)—Gains outnumbered losses today in a fairly active session.

Profit-taking accounted for most of the market's raggedness, with some issues losing most or all of their early gains. Traders paid more attention to individual corporate developments than to general news items.

On balance the economic news was good, including a decline in February living costs and forecasts of further economic gains in the second quarter.

Presilent Eisenhower appealed to steel management and labor to strive for a peaceful, non-inflationary labor agreement this year. The steels as a group were lower. Oils finished higher on balance along with the chemicals and electronics.

London Stock Prices

LONDON (CP)—The stock market was mixed in quiet trading. Gilt-edged securities opened lower but several recovered later. Small gains predominated in dollar stocks, but industrials and gold shares were quiet and irregular.

Grain Prices

WINNIPEG (CP) — Active trading in flax highlighted dealings on the Winnipeg Grain Exchange. The activity spread to some extent to other grains.

Export houses were the main supporters in flax. Selling was light, and prices scored gains, with some irregularity on occasions. There were reports of good inquiry for Canadian flax from the Continent.

Oats and barley trade was fair. Shippers were best buyers in barley, while domestic interests picked up oats. Rye was firm in quiet trade.

Export loading of Canadian wheat during the last few days included: United Kingdom 725,000 bbushels, Italy 510,000, Japan 500,000, West Germany 400,000, Norway 155,000, Venezuela 80,000, The Netherlands 40,000, and Portugese East Africa, a small lot.
